## From Principal's Desk.....

At the outset, I would like to offer my gratefulness to those great personalities who at the cost of their self-less effort gifted us F. A. Ahmed College for enriching the area with light of higher education.

I am privileged offering my service as a teacher rather than any other profession. Education is part and parcel to change the mind-set of the people. Aims of education should not be confined within the 3R's only, rather to be far ahead of this periphery. The prime objective of higher education is to liberalise the thought of democratic people which is very essential to walk in the Google World. Our education should enable to create manpower in international standard. The global scenario of higher education reveals more competitiveness which is a much challenging phenomenon for anybody else. Students are expected to be democratic, liberal, networking and technical up to the best capacity to overcome such challenges. Apart from moulding advanced academic career, updating of knowledge with the tempo of the rest of the world is equally necessary. Time has come to think about "Quality" rather than "Quantity". No compromise should be done to impart quality education concern. Quality should be ensured even at the cost of quantity for realising global excellence.

Although, Principal is the administrative head of an institution, without the co-operation of staff, it would be like pendulum of a matter. Teaching staff is like the SIM card of a Cell Phone. So, thinking about the quality education in college is more closing matter to my staff rather than me.

I need the cordial co-operation from the staff of the college in all the spheres. Therefore, my earnest request to all the guardians as well as people of the locality to consider the college as their own and use college property for satisfying collective needs. Finally, suggestion to all the students to be the part of discipline of the college.

**Abdul Awal Sahab**  
Principal i/c  
F. A. Ahmed College, Garoimari

## Profile of F.A.Ahmed College, Garoimari

The year 1984 of the last century was an eventful year and epoch in the history of Garoimari and its neighbouring areas. At that time, a handful of people got knowledge of literacy, the light of higher education, by and large, disappeared in the area. It was almost beyond the dream of generating higher educated people from a man-power-producing industry establishing in Garoimari. A few among all could realise the need of higher education. Among them, we must take the name of the following personalities like Omor Ali Sarkar (the founder president of Managing Committee), Abdul Hakim (the founder Secretary), many others who endeavoured their relentless effort in establishing the college. Abdul Qayyum Al-Aman took pioneer responsibility as Honourary Principal of the College when regular classes started. He played an active and pioneering role in shaping and moulding the foundation of the college. Besides, the contribution of all the MLAs of Chhaygaon Constituency since 1980 till date aren't less memorable for their all kinds of assistance. Garoimari is mostly dominated by the minority Muslims people dependent basically on agrarian economy, the people of the area extended spontaneous support to establish a college. The mission of the college was to spread the ray of the higher education by breaking the barrier of darkness among the rural people.

In the year 1984 on an auspicious day, the dream turns into reality with the establishment of the higher educational institution named F.A.Ahmed College. The college is named in memory of Fakhruddin Ali Ahmed, an Assamese son who decorated the sovereign chair of India during the period, 1974 to 1977. It is the only higher educational institution that has been imparting education in the Degree Classes (Arts) since its inception.

At the initial stage, Abdur Rahman Khan was the honorary Principal of the college. Mr Habibur Rahman rendered his service as Principal of the college to till his retirement on 31st December, 2014. The college was provincialized by the State Government of Assam w.e.f. 01/01/2013 but the post of the principal was not-provincialised. It always will remain in-compensatory to him who offers about 24 years' prolonged service. After his departure, Abdul Awal Sahab has taken the charge of the Principal and being continuing.

The college has its vast and sprawling campus covering an area 3.34 hectares (25 bighas) of land and the serene atmosphere of the college attracts one and all. The co-educational Arts Degree College which had a humble beginning with 161 students and 10 faculties at the time of its establishment. At present, about 800 number of students has been enrolled and facilitated for higher education. The teaching component comprises 10 faculties and an 'Internal Quality Assurance Cell' (IQAC). The student feedback system has been introduced to remove the deficiency in the course and enhancement of teaching quality.

The college has traversed a long distance since its inception. It has produced a large number of brilliant students into university and many of them are well placed in social as well as political life. The college is lagging behind in certain infrastructural facilities like boundary wall and to have separate departmental facilities for each subject which are to be met immediately.
