**Letter of Appreciation**

This is in appreciation of efforts and initiative taken through various support services/Cells of F. A. Ahmed College, Goroimari for rendering services to the local community by organizing several sensitization Programmes to sensitize the **front Line Workers of Health & Family Welfare** in presence of me during the Period of 2021-22 and 2022-23. As per my observation, the front line workers like **health workers of local areas, Asha Karmi's, Anganwadi workers, Anganwadi supervisors, BLO's, Gaon Pradhan's and others** are well benefitted from these sensitization programs, as it is seen that the distinguished resource persons and medical officers of Chhaygaon PHC's are well endeavored to encourage and motivate the said workers through their valuable lectures and deliberations.

Moreover, the awareness programmes on "**prohibition of Child marriage**", **reducing maternal and infant mortality, teenage pregnancy** etc will definitely have a positive impact on the society.

We are highly obliged and appreciate the organizing cells of **F. A. Ahmed College, Goroimari** who have organized such extension and outreach programs for the benefit of the society.
