**Submitted to**

**THE NATIONAL ASSESSMENT AND ACCREDITATION  
COUNCIL**

## **Criteria VII**

### **Institutional Values and Best Practices**

**7.3.1** Portray the performance of the Institution in one area distinctive to its priority and thrust within 1000 words

- 1. Description of the performance of the Institution in a Distinct Area**
- 2. MoU signed with neighbouring Schools**
- 3. Working Documents on the Issue**

# **Persuasion of Female towards Higher Education**

## **1. Introduction:**

F.A. Ahmed College, Garoimari is located in the core part of rural Assam. As per the socio-economic survey 2011-12, Directorate of Economics and Statics, as much as 99 per cent of the total geographical area of the state belongs to rural areas. Goroimari stands on the south bank of river Brahmaputra of Kamrup District, Assam just about 2 K.M. away from the river. The area is basically dependent on agriculture mostly dwelled by religious Minority Muslim people where majority of them belong to BPL family. The College is the only institution imparting higher education among such backward people since its inception. During the decade of 80s of the last century, number of the higher educated people almost disappeared in the area. The College, by and large, initiated the cultivation of higher education especially has been playing a distinct role in spreading female education in the area.

## **2. Vision and Mission of the College:**

### **Vision:**

The aims of the College is to generate manpower from rural poor especially from the marginalised and vulnerable section of the society.

### **Mission:**

- i) To impart quality higher education as to prepare the students to overcome the challenges they face in their real life situation.
- ii) To impart secular education for creating moral and spiritual values, self-realisation and belongingness in the mind-set of the students for having a communal harmony among the diverse segments of the people.
- iii) To make people aware of social evils of all types.

## **3. Core Values**

- i) Quest for Excellence
- ii) Oneness and Belongingness
- iii) Social Responsibilities

## **4. Description of the performance of the Institution in Distinct Area:**

Creating graduates is the prime objective of any Degree College. F.A. Ahmed College, Garoimari is also imparting higher education among the people in the area. It was the humble

effort of the College in strengthening higher education among the people in Goroimari. At the time of establishment of the College, there were handful number of female graduates in the area. At present, the area is enriched with ample number of females accomplishing higher education. At that time, people were insincere and uninterested towards female education. As is mentioned that Goroimari is dominated by Muslim people and majority of the people were/are poor who are inclined to deploy their children as the source of earning on the one hand and demotivated behaviour of educating girls is another biggest drawback of the people in the area. Normally, Muslim people are little bit of conservative in educating female and hurries to marry their daughters in early ages in fear of defaming the family in different social issues. Consequence to it, practice of early marriage among the religious Minority people especially in the rural areas are more extensive. Therefore, it was the biggest challenge for the College to overcome all such suspicious and superstitious behaviour of the people.

The College always efforts to keep a close touch with the neighbouring Schools and locality to encourage girls to higher education. Some awareness camps are organized in different schools to encourage students not to leave the schools and not to go for marriage in early stage.

However, F.A. Ahmed College, Garoimari also invests resources for gender related issues in the vicinity area. Malpractice of early marriage, faster growth of population etc. are some social evils existing in the area. Different Cells like NSS, Women Cell, UBA, the Bharat Scout & Guide Unit do some outreach programme in this respect. The Cells organize some awareness camp among the students of the College and in the neighbouring area.

### **Outcome of the Performance:**

The honest effort of the College has been able to persuade female enrolment. The enrolment data of the College reveals that number of female enrolments is more compared to number of male enrolment since last several years. Bringing out the girls to higher education from the locality of Goroimari is, of course a difficult task. Therefore, it can be stated as institutional distinctiveness of F.A. Ahmed College, Garoimari. The gender-wise enrolment data of the College during 2019-20 to 2023-24 is as follows;

Students	2023-24	2022-23	2021-22	2020-21	2019-20
Male	312	288	319	354	264
Female	454	359	385	388	410
